**MANAGING YOUR DIABETES -
Simply & Affordably**

**FREE STARTER KIT*
Coupon Inside!**

On Call® DIABETES CARE - Following your doctor's orders has never been so simple!

Healthcare professionals recommend
On Call® Plus & *On Call® EZ* Blood
Glucose Monitoring Systems for:

1) Affordability

On Call® makes affordable test strips available to you. Plus, you can obtain a FREE* complete starter kit!

2) Convenience for any lifestyle

On Call® offers the unique convenience of using the same test strip for either metering system.

Individually wrapped test strips are also available for your testing needs when away from home.

3) Sampling flexibility

Only a tiny drop of blood (1 µL) is required to help minimize possible pain.

Test on your forearm, palm, or fingertip to reduce discomfort.

DIABETES MANAGEMENT –
2 easy-to-use systems, 1 test strip for both

On Call Plus

Conveniently sized, guaranteed for 5 years and includes advanced data management option that stores up to 300 results to help monitor your diabetes over time.

On Call EZ

Take-it-anywhere size records 30 tests with the press of a button and is guaranteed for 5 years.

Both the *On Call® Plus* and *On Call® EZ* metering systems provide **reliable** and **accurate** results in just 2 simple steps:

Turn on the meter by inserting a test strip.

Apply a blood sample and obtain results in just 10 seconds.

CONFIDENCE AND ACCURACY –
Everything you need to start
testing, including 15 test strips!

Both *On Call® Plus* and *On Call® EZ* Starter Kits include:

- Blood Glucose Meter
- 15 Test Strips
- Code Chip
- Control Solution 1
- 15 Sterile Lancets
- Lancing Device
- Clear Cap – for flexible testing on forearm and palm
- User's Manual
- Quick Reference Guide
- Quick Start Guide
- Warranty Card
- Logbook
- Plus! Exclusive *On Call®* Advisor integrated diabetes management program
